About This Game

"UBERMOSH is an arcade game about cutting bullets with a sword, in a gun-filled cyberpunk mosh pit."

Like a pinball table or a coin-op arcade machine, UBERMOSH was made to give you a shot of adrenaline in a couple of minutes. Each time you play a new level is generated for you to beat your score in 90 seconds.

This series is just genius. It's simplistic at first but the level of detail on the AI and the music selection makes the game really fun. The price point makes it a "must have" series.. for \$0,49, you can cut bullets with your blade. 10/10
